Subject: Talking points/status update on Oregon CZARA for next OW Meeting

Romell,

As requested, here are some talking points for our front office's next meeting with OW.

Subject: Tpts to OW on OR CZARA

Don or Chris,
For next week's OW staff meeting (due to Romell Thursday 3 pm) would you please put together BRIEF bullets on OR CZARA: # and type of comments, EPA/NOAA will seek extension and informally notify NWEA within next week, any other key points you see.

Thanks,

Lynda
